

Buddha Institute of Technology

(Approved by AICTE & Affiliated to Dr. A.P.J. Abdul Kalam Technical University, Lucknow U.P.)

Ref. No. : IQAC/2023-24/01

Date: 23/08/2023

CIRCULAR (Internal Quality Assurance Cell)

Buddha Institute of Technology (BIT) is approved by A.I.C.T.E. and affiliated to Dr. APJ A.K.T.U. The programs of the institute are recognized all over India and abroad. It boasts of a strong Academic- Industrial interaction with high quality of research and consultancy and has close collaborative links with industries in the field of Automobile, Textile, Machine Tools, Software Development, Civil industry, Manufacturing Sector etc. BIT is situated along Gorakhpur- Lucknow National Highway # 28 at a distance of 10 kms from Gorakhpur railway station, and 12 Kms from airport. The Institute is spread over 14 acres of eco-friendly land. Life at BIT is a blend of fun and hard work. Campus life is vibrant and full of enthusiasm. BIT has established advanced ROBOTICS LAB accredited by AICRA & 3D Printing Lab which can meet the requirement of students who are willing to create innovative products.

Objective of IQAC

- Academic and Administrative audit.
- Assessment and Monitoring of Academic and Administrative Performance.
- Develop an approach for enhancement of Knowledge, Skill, Attitude and Values among the students through curricular, co-curricular and extra-curricular activities.
- Promote measures for institutional functioning towards quality enhancement through internationalization of quality culture and use of best practices for holistic development of students.

Functions of IQAC

- Development and application of quality parameters for the various academic and administrative activities of the Institute.
- These parameters will help to give a direction to the Institute to achieve excellence in accordance with the standards laid down by statutory bodies.
- Data collection from various departments.
- Analysis of the received data and observe the gaps between set parameters and current status.
- Suggest measures to fill the gap by advising recommendations regarding different academic and administrative bodies of the Institute.
- Monitoring of the proper implementation of the suggested measures being followed by different academic and administrative bodies.
- In order to achieve the objectives, set forth by IQAC, at-least two meetings per academic year will be convened by IQAC Coordinator.
- The agenda, minutes and action taken reports are to be documented with official signatures and maintained electronically.
- Minutes of the meetings will be shared with all concerned.
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality culture
